ABOUT REC

RUSSIAN EDUCATION CENTRE (REC) concerns itself with providing assistance to foreign students willing to study at State Higher Education Institutions of Russia.
REC is a legally authorized representative (LAR) working under the Aegis of the Ministry of Education and Science and the Ministry of Justice of the Russian Federation.
REC is also recognized by the Ministry of Health and the Ministry of Foreign Affairs of the Russian Federation.
REC specializes in comprehensive assistance to ambitious foreign students who aspire to study at Russian Higher Education Institutions.
REC has been working for more than 10 years in the field of recruitment of foreign students who are eager to study at Russian Universities and has enrolled more than 11,000 students from all over the world. Some of them has already completed their studies and are working in different fields as highly qualified specialists, others are still studying at university.
REC works in close cooperation with students and helps them during the admission process, in obtaining a visa, with the arrival and during their whole study period.
MEDICAL POSTGRADUATE COURSES

PG / Clinical Residency / Doctorate programs are conducted in English and in Russian languages.
Students can study both in English and in Russian medium of instruction. The admission year for PG/Clinical Residency programs starts from the 1st June till 1st September.
All students should undergo for a 6-10 months conversational course of Russian language before starting the PG/Clinical Residency course that students/Doctors can interact with the local Russian patients during the clinical visits and also for the local interaction in daily life.

English medium of instruction means that the student will have the tutor/academic adviser with high knowledge of English language and classes and practical work student can do in English language, but nevertheless students should undergo for a 6-10 months conversational course of Russian language.
Russian medium of instruction means that the student will have Russian speaking academic adviser and study in Russian language.

FOR PG (Postgraduate Education) / Clinical Residency:

Duration:
Surgical departments: 3 years
Non-Surgical departments: 2 years

P.S.: Some countries have their specific requirements for their citizens to complete Postgraduate Education. For those students, they have to do their practice according to their country laws and they can prolong their Postgraduate Education up to 5 years (if it is required).

FOR DOCTORATE PROGRAMS:

Duration: 3 years

The presentation of doctoral dissertation is carried out before a Dissertation Council. Dissertation Councils are organized by the Supreme Certifying Committee (Vysshij Attestatsionney Komitet, VAK) of the Russian Federation to accept dissertations in given fields of science for presentation in accredited Higher education and research institutions.

ARRIVAL:

STUDENT HAS TO TRANSFER THE FIRST YEAR COMPLETE EXPENSES ACCORDING TO HIS INVOICE BEFORE ARRIVAL IN RUSSIA AND HE HAS TO BRING WITH HIM/HER THE RECEIPT OF PAYMENT.

After getting visa you should buy the ticket and inform us about the complete details of your arrival. The Representative of REC HEAD OFFICE has to receive you at the airport, if representative will not be available at the airport to receive student, then you will be deported back to the homeland. It's according to the Rules and Regulations of Immigration authorities of the Russian Federation.

We are advising students to come to the city airport where University is located, it will be convenient for us to receive the student there and for student also it will be convenient.
If you find difficulties in getting flights to any small cities, then you can get flight to any airport in Moscow and we shall receive you there.
After confirming the flight details, please inform us the flight number, date of arrival and time. You should send all this information at least a week before your arrival.
DOCUMENTS THAT YOU HAVE TO BRING ALONG WITH YOU:

1. Copy of Invitation letter
2. PAYMENT RECEIPT OF COMPLETE FIRST YEAR FEE AND EXPENSES PAID
3. 12 Passport size photos 3 x 4
4. HIV – medical checkup certificate
5. School certificates - (legalized by Russian embassy)

The main thing you should bring is all the above said documents with you, because the immigration wouldn't allow you to enter into the country without the above said documents.
